A Message From Mr. Woods

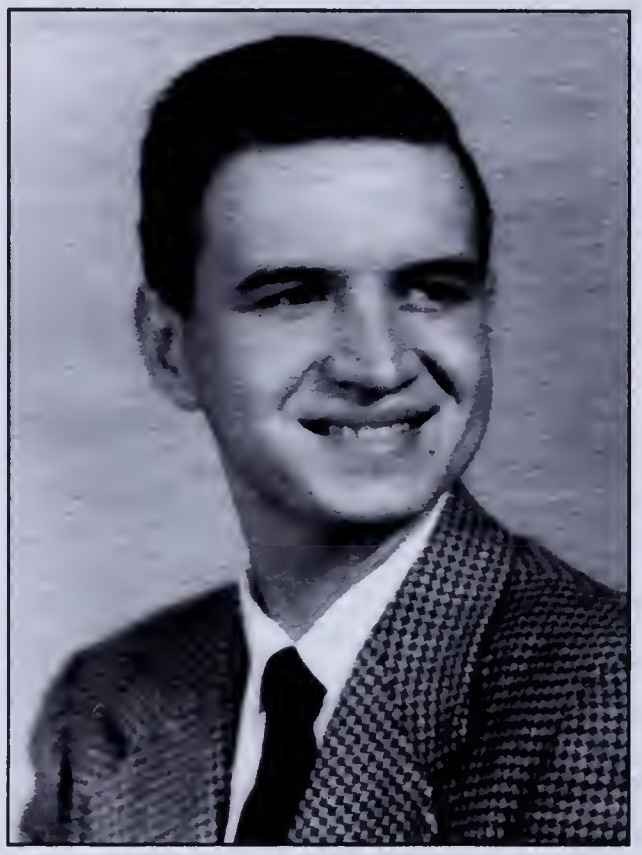
To the Class of 1998:

I want to congratulate you on your completion of a very successful and outstanding four years at Wilmington High School. I am truly grateful to have come to know so many of you over the years and want to wish each of you a lifetime of success and happiness.

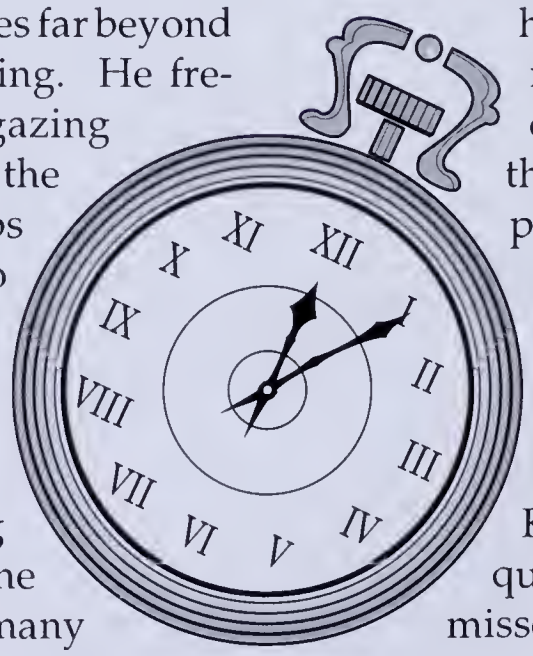
We have experienced many changes at WHS during these past four years and I am very proud of how you have been able to adjust to these changes. You have faced many challenges and have always maintained a sense of pride in all that you have accomplished. I hope that we have encouraged you to be lifelong learners. May you leave Wilmington High School with many happy memories and know that we will always be here if you need us.

CLASS

DEDICATION



Mr. Krey has carefully and skillfully taught chemistry to students of Wilmington High School for the past 34 years. His commitment to encouraging student involvement in the sciences goes far beyond the impact of his classroom teaching. He frequently conducted evening stargazing field trips to Rattlesnake Hill and the high school, natural history field trips to Foster's Pond, and trips to Wilmington-based Olin Chemical with chemistry students. From 1966 to 1989 Mr. Krey was the advisor to the Science Club. The club was used as a vehicle for nurturing student interest in science beyond the scope of classroom study. Of the many activities Mr. Krey developed under the auspices of the Science Club, the Magic Show was perhaps the most significant. Science Club members had a diverse repertoire of magic acts, all very scientifically designed and executed thanks to Mr. Krey, and would perform at various times and locations throughout the year. The Magic Show had a major impact on all students both performers and members of the audience. Mr. Krey's calm demeanor and quiet dedication will be greatly missed.



The senior class of 1998 dedicates this yearbook to a man who has been an outstanding mentor, and an active member of Wilmington High School.

Class History

[n August of 1994, the class of '98 entered the halls of Wilmington High. After settling in, we elected Dave Ward president. Scott wiezynski was V.P., Christian Ferraro treasurer, nd Angela Fiorenza secretary. (All three re-ained in office for the duration of their high chool careers.) In athletics we watched as the orts teams were fairly successful in their final ear in the MVC. The girls basketball team was ague champ. In news, the OJ trial started, the oston Garden ceremonially closed, and Okla-oma was bombed. From the start, our class was nown as a group of pioneers led by a different resident and new principal every year. We held e first ever "Freshmen Fling" in the cafe, which as since become even more successful.

Sophomore year came in a flash with the resig-ation of Paul T. Fleming and the election of Tom eigham as president. Mr. Woods assumed the le of Acting Principal. We mourned the death Mr. Olsen and the Cape Ann League seemed a d move for athletics. The crashes of Value Jet nd TWA flight 800 shocked us. Once again we ecided to do our own thing and moved the semi Casa de Fior right in Wilmington. Other than ooked pillars for pictures everyone had fun.

In the late winter, the class came together to ow Lauren Senesi great support while she was the hospital after a terrible car accident.

Along with junior year came more changes - ebecca Rogers became our third president and me guy name Patuleia showed up, tried to nforce some rules, and then left. Football suf-red the most heartbreaking loss in years to orth Andover, costing them the Cape Ann eague title and a Super Bowl birth, despite a reat season. The hockey team won the Cape nn League title for the second year in a row. ftball clenched one too. There were many her state qualifiers. We watched as the Patriots ade it to the Super Bowl and Tupac was mur-red. The junior prom at Hillview Country Club in North Reading was a hit. No one waited for the plates to be cleared from dinner before they swarmed the dance floor. Paul Fugere was king, Angela Fiorenza was queen, and the court included Megan Falzone, Damion Dicenso, Tara Konaxis, Kevin Carroll, Kristin Flynn, Ian Emery, Melissa Mather, and Scott Swiezynski.

Senior year was one event after another. Kristin Flynn became the new and last president of the class of '98. The fall sports season had a great boost from Spirit week (blue & white day, decade day, army day, etc.). Homecoming ended the festivities. Mike Vitale and Leann Bento were voted king and queen, and the court included: Julie Yentile, Chris Kilburn, Lauren Senesi, Paul Tentindo, Christine Crowley, Scott Swiezynski, Julie Stygles, Ian Emery, Kristin Flynn and Brian McCarthy. The boys soccer team was amazing as the school followed them through five games in the state tournament, after dominating Cape Ann and grabbing the title. Field hockey took the league for the second year in a row and beat Manchester, undefeated for 4 years. Mr. Lucia, the new Vice Principal, showed up on a motorcycle with rule book in hand. The Senior Lounge became the "senior closet" as it was downsized for band storage. The cafeteria was lightened up by useless blue awnings (just in case of rain). The year brought many sudden deaths of famous persons. We were horrified at Princess Diana's car crash, Sonny Bono's and Mike Kennedy's ski accidents, and Chris Farley's heart attack. We watched the Winter Olympics in Nagano as the U.S.A. took home several medals and snow boarding made its debut. We lived it up at the '98 DAY PARTY. The class finished like it started by bringing in another new idea. They spent a night locked in the gym with tons of entertainment, prizes, and food on June 1st (senior sign-out day). Our prom was at the Omni Parker House in Boston on May 15th and finally, graduation on June 7th, 1998.

To My Beautiful Daughter Christine Elizabeth:

Though sometimes we don't get along very well, you will always be my daughter. The one who is most like me. The one who holds the sacred spot of being number two. The hardest place in the world to be. You are your own person. An individual in your own right. I am very proud of you. Some day you will understand why children and parents argue! The guardian angel that I gave you on your sixteenth birthday will guide you through your life. Listen to your head and your mind will always know the right thing to do.

I love you always Christine,
Mom
